**A. Proofreading**

**There are five spelling mistakes in the paragraphs below. Circle the misspelled words. Write the words correctly on the lines below.**

Last week, I woke up late one day. I quickly put on my pants and shurt, ate breakfast, and raced out the door to catch the bus. At school, the teacher pointed at me and asked, "What happened to you? Your clothes are all derty."

I looked down but couldn't see why he would think that. My clothes looked fine to me, even though the buttons looked a little bit blurred. "Maybe you need glasses," he said. As it turns out, he was right.

My mother and I took a trip to the eye doctor. He was a gentle and kind purson. He had me try on a number of eyeglasses and asked if they made my vision better or werse. Soon he had solved my problem. Now that I have new eyeglasses, the world is a much clearer—and cleaner—place!
