A. Proofreading

There are six spelling mistakes in the story below. Circle the misspelled words. Write the words correctly on the lines below.

My cousin Oliver was from the city and had never been camping. On the last night of his visit to our house in the country, I suggested that we sleep out in the back yard. At first he was nervous, but he agreed.

First, we took a big old bed spread and draped it over the clothes line. Next, we set up our sleeping bags on a tarp we had laid on the ground. We talked and told stories in our outdoor bed room for about an hour, then decided to go to sleep.

An hour or so later, we heard a tapping noise over head. It had begun to rain! It didn't take long to find out that our tent wasn't water proof. Luckily, we made it back inside before we got too wet!
