**A. Proofreading**

**There are five spelling mistakes in this paragraph. Circle the misspelled words. Write the words correctly on the lines below.**

Not only is Catherine my best friend, but she is also one of the silliest people I know. She is marrier than any of the merriest elves in the North Pole. When Catherine comes over, she thinks up the best games to play. Once we built a giant city made only out of penies. It was so funny. It was even funier when she pretended to be a giant monster and knocked all the pennies down. We have the best time together. Even when one of us is sad or sick, we find ways to cheer each other up. Catherine is one of the happiest kids in our class.
