**A Studio Visit**

As I approached the building, I was excited. A very populer painter, Anne Smith, had agreed to show me around her studio. I had never been to an artist's studio before.

A sign above the door said, "Entar here." I walked in and took the ellevator to the second floor.

As soon as the door opened, I could smell a weird odar. Anne met me in the hall and explained that the smell was from her oil paints. When we walked into her studio, I forgot about the smell. There were paintings everywhere! My favorite was a picture of Anne's daughtor standing in front of a huge ship in the harber.

Anne is a great painter. I am so glad that she let me visit her studio.
