Dear Dr. Carter,

I am a pupel in the fourth grade. Our class is studying wild horses. I saw you on the news last night on Channal 5 talking about how our country should deal with mustangs. Since you are a lokil expert, I wanted to see if you would come and speak to my class.

We have learned a lot about these animals. They are a symble of the American West because they are free and run fast in wide open spaces. There is a totel of 45,000 wild horses left in the United States. We are also learning about how some groups want to save these animals.

I hope you can come and visit my class. It would be very spECIAL to us.

Regards,

Ava Recio
