

Teamwork

Get Started

Form two teams of two. Get 5 squares in one color for one team.

Get 5 squares in another color for the other team.

Put **1 2 3 4 5 6 7 8 9** in a bag. Take turns.

Repeat for Each Round

Pick a tile. Say the two numbers next to that tile number.

Choose a number line to help you compare those numbers.

Use your fingers to locate the two numbers on that number line.

Tell if $<$, $>$, or $=$ belongs between those two numbers.

Use a square to cover your answer on the game board. Set the tile aside.

Repeat until one team gets three squares in one row, column, or diagonal.

1 $1\frac{1}{4}$ ○ $1\frac{1}{2}$

2 $2\frac{2}{3}$ ○ $2\frac{1}{3}$

3 $\frac{1}{2}$ ○ $\frac{3}{4}$

4 $1\frac{3}{4}$ ○ $1\frac{2}{4}$

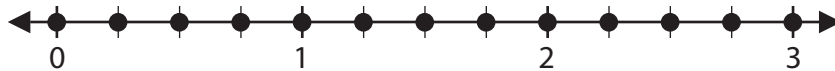

5 $\frac{1}{2}$ ○ $\frac{2}{4}$

6 $\frac{4}{4}$ ○ 1

7 $1\frac{2}{3}$ ○ $2\frac{1}{3}$

8 $2\frac{3}{3}$ ○ $2\frac{1}{3}$

9 2 ○ $1\frac{3}{3}$
