

Teamwork

Get Started

Put **0 1 2 3 4 5 6 7 8 9** in a bag.

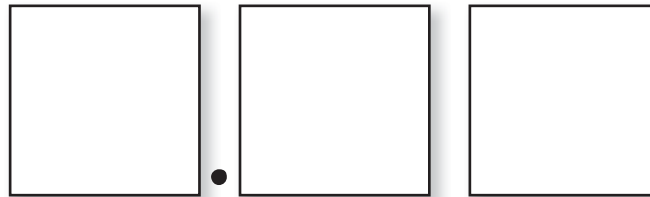

Repeat for Each Round

Pick three tiles. Place them in the squares below.

Take turns doing steps 1 – 3 in order.

Put the tiles back in the bag before beginning the next round.

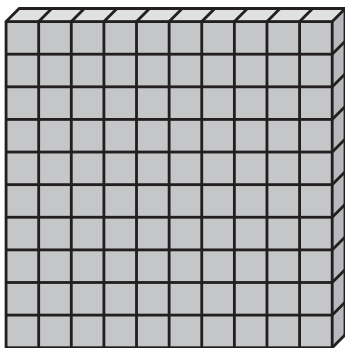

Repeat the activity for six or more rounds.

STEP 1 Tap on the pictures. The number of taps shows the number of ones, tenths, and hundredths, in the number you displayed.

STEP 2 Write the number in decimal form.

STEP 3 Write the number as a fraction, or mixed number, in simplest form.

One whole

One tenth

One hundredth

If you have more time

Repeat the activity. What if the decimal you display is an amount of money? Which bill or coin would each base ten block represent?
