Get Started

or

Put **0 1 2 3 4 5 6 7 8 9** in a bag.

Repeat for Each Round

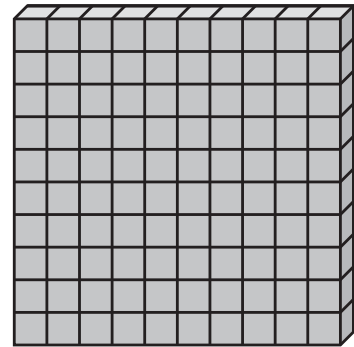

Pick six tiles. Place them in the squares below.

Take turns doing steps 1 – 4 in order.

Put the tiles back in the bag before beginning the next round.

Repeat the activity for six or more rounds.

.		
.		

One whole

STEP 1 Say the first number. Tap on the pictures. The number of taps shows the number of ones, tenths, and hundredths in that number.

STEP 2 Say the second number. Tap on the pictures. The number of taps shows the number of ones, tenths, and hundredths in the second number.

STEP 3 Find and say a number that is between the numbers you chose.

STEP 4 Find and say another number that is between the numbers you chose.

One tenth

One hundredth

If you have more time

Repeat the activity. What if the decimal you display is an amount of money? Find several amounts of money that are between those two amounts of money.
