

# Teamwork

Get Started

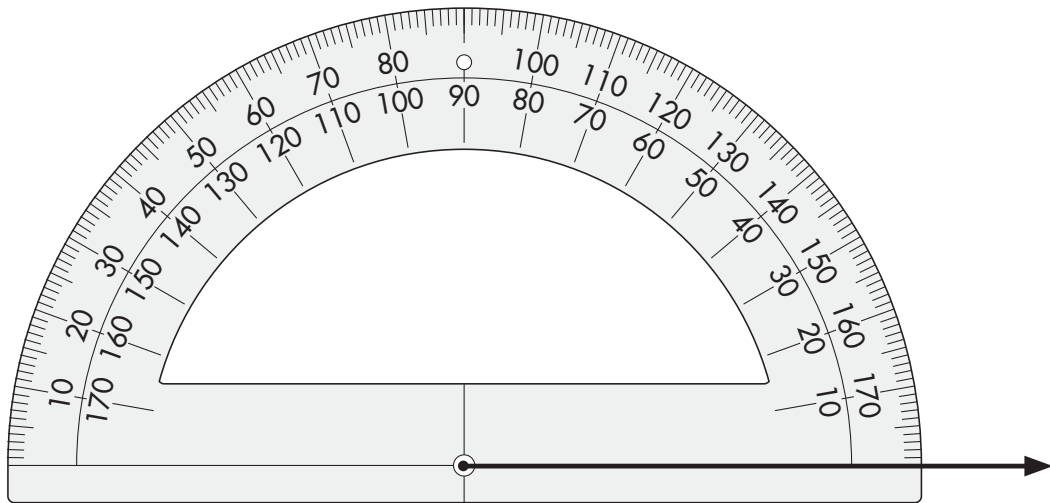

or

Get **0 1 2 3 4 5 6 7**.

Repeat for Each Round

Take turns. Choose **a** or **b**. Choose two number tiles. Place the tiles in the two empty spaces to show the measure of an angle. Use your finger to trace the other side of an angle that has the measure you chose.

**a**

**b**

If you have more time

Use your finger to trace an angle on the protractor.

Ask your partner to display the measure of that angle with tiles.
