

# Toss and Talk

## Get Started

Get 10 squares in one color and 10 in another color.

Get two number cubes. Take turns with another player or team.

Talk about math as you play! Remember, the three interior angles in a triangle add up to  $180^\circ$ .

## At Your Turn

Toss two number cubes. Add the dots. Find your toss below.

Follow the directions. Explain your thinking. Cover the answer.

If the answer is taken, lose your turn. Have fun!

Toss	Explain how to find the missing measure of the third angle if the other two angles in a triangle have these measures.
